## Notes/Comments:

Because the Land Trust's easement program support providers work as a team across the spectrum of the Land Trust's programs, professional services costs are not allocated on a project-by-project basis. Therefore, the professional services costs reported above represent only the known costs for this project of appraisal/title/mapping (\$6,008) paid for with private funds and easement stewardship (\$15,000), which came from ENRTF.
