### Notes/Comments:

Combined with M.L. 2009, Chp. 143, Sec. 2, Subd. 04f3.2 (subsequently sold to 3 Rivers)

Because the Land Trust's easement program support providers work as a team across the spectrum of the Land Trust's programs, professional services costs are not allocated on a project-by-project basis. Therefore, the professional services costs reported above represent only the known costs for this project of appraisal (\$4,500) and easement stewardship (\$15,000), both of which were paid for by Hennepin County.

As required by M.S. 116P.16 for interest in land acquired with Environment and Natural Resource Trust Fund proceeds after June 30, 2005.
