Notes/Comments:

The conservation easement value was determined by formula: BWSR board authority to establish payment rates - M.S. 103F.515 Subd. 6/ Board Resolution #11-79, 2011. 90% of the land value on land with cropping history and 60% of land value on land without cropping history. Based on the Total Average Tillable Land Value (TATLV) as established by the County Assessor for each township.
