Subject: Pig's Eye Landfill Task Force
Date: Tuesday, August 16, 2022 10:37:26 AM

Dear Commission Members,

I write in support of the work plan before you to establish a Pig's Eye Landfill Task Force on cleanup and remediation of this site. Once established, the Task Force can incorporate the voices of local governments impacted by this site, so they can work with agencies with the expertise needed for clean up, restoration, and planning for future uses.

I appreciate your consideration and look forward to your support,

Chai Lee
Met Council Member, District #13
