

Agenda Item 10 – Voicemail message from April 9, 2024

Mr. Heller left a voicemail with the Legislative-Citizen Commission on Minnesota Resources (LCCMR) on April 9, 2024, requesting that the following testimony to be included for review during the April 24, 2024, 5:30 PM, Legislative-Citizen Commission on Minnesota Resources meeting.

Mr. Heller requested that this be submitted on behalf of ADA Universal Access for Funded Projects, including the documents:

1. Legislative-Citizen Commission on Minnesota Resources Strategic Plan:
 - a. In the Strategic Plan, please show how the Legislative-Citizen Commission on Minnesota Resources tracks how the projects meet the requirements of the Americans with Disabilities Act for both physical and digital accessibility.
 - b. Please make sure that the Strategic Plan is made fully accessible.
2. Legislative-Citizen Commission on Minnesota Resources Project Tracking:
 - a. Please include a project tracking check box or flag to show which groups are applying for projects including the following groups:
 - i. English as Second Language
 - ii. Economically Disadvantaged
 - iii. Minorities
 - iv. Twice Exceptional People
3. Legislative-Citizen Commission on Minnesota Resources Digital Accessibility Requirements:
 - a. Please provide an update on the Legislative Coordinating Commission's digital accessibility requirements and whether the Legislative Coordinating Commission's requirements apply to the Legislative-Citizen Commission on Minnesota Resources.
