1. Members receive proposals along with staff scores and comments related to the proposals' fit with RFP priorities, law, policy, and the 10 LCCMR-adopted evaluation criteria.

MOTION: Commissioner Peichel moved to adopt the presentation format and timing as described in the staff memo on “Proposal evaluation and decision-making process for 2025 LCCMR recommendations”, dated April 22, 2024, with the modification that members would only be able to attend the presentation meetings remotely, except for the chair:

1. Presentations will be held via Zoom for presenters to save time, provide flexibility, and make participation easier for proposers. Members would be remote; however, the chair would be in-person.
