Hello Mr. Heller,

I have created a written testimony document based on your two voicemails to the LCCMR.

Please review the attached and let me know if I have captured your requests accurately.

Also, do you wish to testify orally during the meeting? Or, is the written testimony sufficient?

Thank you!

Jim

Hello Mr. Heller,

I am following up on your recent voicemails to the LCCMR regarding their next meeting. Thank you for your messages.

Would you like to testify at the April 24 meeting? Or would you prefer to have your voicemail content serve as our testimony if scribed?

The meeting will be a remote hearing with public viewing available on YouTube here:

<https://www.youtube.com/channel/UC4UMrRCHV-7AQngcdjilWjw>

If you would like to testify, please let me know and I will work with the LCCMR staff to get you added to the list of testifiers and I will get the Zoom details for you.

If you require accommodations to participate in the Zoom meeting, there is a computer workstation in the Legislative Reference Library available for your use.

The library is located in room 645, State Office Building, 100 Rev Dr Martin Luther King Jr Boulevard., St Paul, MN 55155. Normal office hours for the library are 7:30am-6:00pm. However, the library will remain open on the 24<sup>th</sup> until the LCCMR meeting is finished if you wish to use their workstation.

Also, regarding your voicemail asking if the LCCMR is a stand-alone organization and whether or not the LCCMR is governed by the LCC's Accessibility Policy, the LCCMR is included under the LCC as it relates to digital accessibility policy. The LCCMR, along with the House, Senate, and Joint Offices and Commissions, must adhere to the state standards for digital accessibility beginning October, 2024.

Please let me know if you have any questions.

Thank you.

Jim Melby
