Subject: Re: LCCMR - Projects Selected to Present Additional Information

Dear Ms. Thornton:

Crow Wing County is choosing to formally withdraw its LCCMR application for "Brainerd Lakes Community-Based Conservation and Recreation Planning", thus not attending the LCCMR meeting on Monday March 7, 2011 at 4:55 p.m. Other similar grants have been obtained in the Brainerd Lakes Area that will serve the same purpose as the current grant request. In an effort to eliminate redundancy and to save taxpayer dollars, we no longer are choosing to pursue this grant opportunity. It is our hope that the grant dollars that potentially were coming our way could be directed to a useful project to enhance the great State of Minnesota. Thank you for your understanding of our decision.

Thank you:
