Marcia Honold, Liaison DNR, stated that the DNR wished to submit a work plan for review and approval at the December 7 meeting and DNR was reviewing legal issues regarding the appropriation language for Part B of this appropriation.

Susan Thornton asked if this is going to be sole sourced to Audubon Minnesota or sent out as a Request for Proposal. Ms. Honold responded that DNR intends for it to be sole sourced to Audubon Minnesota.

After discussions of item 5, members discussed the LCCMR Six-Year Strategic Plan. Commissioner Shimanski asked for a review of the LCCMR Six-Year Strategic Plan at a future meeting.

#### **5. Develop ENRTF 2012 Request for Proposal (RFP) to be issued by LCCMR**

Co-Chair Gibson started the discussion on the next LCCMR Request for Proposal (RFP) by discussing whether it should be an annual or biennial RFP for the ENRTF funding.

Members discussion concluded through consensus that this LCCMR Request for Proposal (RFP) should be an annual RFP and have site visits and issue seminars. Sen. Higgins asked about the reduced LCCMR budget and the impact regarding the annual process and site visits vs. the biennial. Ms. Thornton responded that the LCCMR administration budget for FY12-13 was based on a biennial process. The budget was reduced to accommodate fewer meeting days for a biennial process and then it was further reduced by the legislature. Ms. Thornton indicated that she would review the budget and potential implications for an annual process including site visits for discussion at a future meeting.

Commissioner Higgins asked how many years has the Commission been on an annual RFP. Co-Chair Gibson said it has been four years.

MOTION: Commissioner Higgins moved to have an annual Request for Proposal (RFP) – motion prevailed.

Co-Chair Gibson asked members what they thought about alternating the priorities in the RFP to limit the types of proposals.

Susan Thornton explained as staff handed out a draft RFP for 2013 that this will be a starting point for discussions on the RFP. Ms. Thornton explained that it has been a group discussion at every level of reviewing the proposals.
