

## **2009 Project Abstract**

For the Period Ending June 30, 2011

**PROJECT TITLE:** 4B: Fisheries Acquisition – MN DNR – Division of Fish and Wildlife  
**PROJECT MANAGER:** Mike Halverson  
**AFFILIATION:** MN DNR – Division of Fish & Wildlife  
**MAILING ADDRESS:** 500 Lafayette Rd.  
**CITY/STATE/ZIP:** St. Paul, MN 55155  
**PHONE:** (651) 259- 5209  
**FAX:** (651) 297-4916  
**E-MAIL:** mike.halverson@state.mn.us  
**WEBSITE:** [  
**FUNDING SOURCE:** Environment and Natural Resources Trust Fund  
**LEGAL CITATION:** ML 2009, CH 143, Sec. 2, Sub 4(e)

**APPROPRIATION AMOUNT: \$300,000**

### **Overall Project Outcome and Results**

This project focused on the acquisition of habitat linkages that provided environmental protection of the shoreline and riparian zone, exhibited a high risk of development, supplied angler access, and afforded management access necessary for implementing habitat improvement projects.

Project goals were to protect 120 acres (1.4 miles of lake and stream shoreline) with the help of partner and other state funding. Partner funding includes donations of land value and cash.

This project resulted in the acquisition of four parcels with a grand total of approximately 54.2 acres and 1.3 miles of lake and stream shoreline. Because of the extreme variation in shoreline values it is hard to accurately predict a reliable acre benchmark. Most years, including the 2008 ETF appropriation, we far exceeded our acres goal. For the 2009 ETF appropriation, we fell short of the acres goal, but nearly reached our “miles of shoreline” goal. Environmental and Natural Resources Trust dollars directly acquired approximately 35.12 acres of the total, including 0.4 miles of lake and stream shoreline. Donations of land value (“other funds” \$396,600) and resulting Reinvest In Minnesota Critical Habitat match (“other state monies” \$165,000), leveraged with trust dollars, totaled \$561,600. These contributions helped acquire the remaining acres of the grand total, including 4.0 acres and 0.2 shoreline miles using other state dollars and 8.5 acres and 0.4 shoreline miles from donations of land value. Preece Point was acquired jointly using both 2009 and 2010 Supplemental grants to Minnesota’s Habitat Conservation Partnership – Fish and Wildlife Acquisition (4b). Results for Preece Point were proportionately distributed for each grant.

As a result of this project, 54.2 acres, including 1.3 miles of critical shoreline fish and wildlife habitat are now permanently protected and open to public angling and/or hunting - as well as other light use recreational activities. Acquired parcels are now designated and managed as Aquatic Management Areas (AMAs).

### **Project Results Use and Dissemination**

Accomplishment Reports and press releases will be made available at <http://www.mnhabitatcorridors.org>, and all AMAs will be added to DNR's Public Recreational Information Maps (PRIM).

**Total Biennial Project Budget**

Result	ENTF Allocation	ENTF Funds Spent	ENTF Balance	Other Funds * Proposed	Other Funds * Spent
<b>Acquisition</b>	\$300,000	\$300,000	\$0	\$0	\$0
<b>Total</b>	\$300,000	\$300,000	\$0	\$0	\$0

\*Other Funds are classified as non-state, non-state leveraged dollars (if partner funds are leveraging State Funds (e.g. RIM) they are not eligible to be considered Other Funds). Please note, however, that this work program has spent the following amounts not shown in the above table:

State Funds:	\$165,000.00
Other:	\$396,600.00

See the tables and funding type definitions at the end of this report for further explanation.

**Work Program Summary**

**Overall Project Outcome and Results**

This project focused on the acquisition of habitat linkages that provided environmental protection of the shoreline and riparian zone, exhibited a high risk of development, supplied angler access, and afforded management access necessary for implementing habitat improvement projects.

Project goals were to protect 120 acres (1.4 miles of lake and stream shoreline) with the help of partner and other state funding. Partner funding includes donations of land value.

This project resulted in the acquisition of four parcels with a grand total of approximately 54.2 acres and 1.3 miles of lake and stream shoreline. Because of the extreme variation in shoreline values it is hard to accurately predict a reliable acre benchmark. Most years, including the 2008 ETF appropriation, we far exceeded our acres goal. For the 2009 ETF appropriation, we fell short of the acres goal, but nearly reached our "miles of shoreline" goal. Environmental and Natural Resources Trust dollars directly acquired approximately 35.12 acres of the total, including 0.4 miles of lake and stream shoreline. Donations of land value ("other funds" \$396,600) and resulting Reinvest In Minnesota Critical Habitat match ("other state monies" \$165,000), leveraged with trust dollars, totaled \$561,600. These contributions helped acquire the remaining acres of the grand total, including 4.0 acres and 0.2 shoreline miles using other state dollars and 8.5 acres and 0.4 shoreline miles from donations of land value. Preece Point was acquired jointly using both 2009 and 2010 Supplemental grants to Minnesota's Habitat Conservation Partnership – Fish and Wildlife Acquisition (4b). Results for Preece Point were proportionately distributed for each grant.

As a result of this project, 54.2 acres, including 1.3 miles of critical shoreline fish and wildlife habitat are now permanently protected and open to public angling and/or hunting - as well as other light use recreational activities. Acquired parcels are now designated and managed as Aquatic Management Areas (AMAs).

**Acquisition Activities**

<b>Project Name:</b>	Preece Point							
<b>Tract:</b>	1							
<b>Project Area:</b>	2 - Mississippi Headwaters							
	Township: 146, Range: 33, Section: 30							
<b>Acquisition Holder:</b>	DNR-AMA							
<b>Description:</b>	Preece Point is one of the most prominent geographic features on Lake Marquette - a Mississippi River headwaters lake. Here the lakeshore forms a long, narrow point, which is visible from virtually everywhere around the lake. The entire property along with it's associated aquatic habitat is unimpacted by human activities. This AMA will provide walk-in access to a lake that has no developed public access. The property was sold to DNR as a bargain sale, and the family is happy to know that it will be preserved forever in it's natural state. For these reasons Preece Point AMA scores very high on the AMA criteria list.							
<b>Acquisition reported via LCCMR website:</b>	Yes

**4B: Fisheries Land Acquisition - MNDNR - Fisheries**

**Project Name:** Steamboat Lake AMA  
**Tract:** 2  
**Project Area:** 2 - Mississippi Headwaters  
Township: 144, Range: 31, Section: 29  
**Acquisition Holder:** DNR-AMA  
**Description:** This property includes 36 acres of land, with 1,170 feet of shoreline on Steamboat Lake in Cass County. This parcel doubles the shoreline protected as AMA on Steamboat Lake. Acquisition of this site permanently protects habitat important to a variety of fish and wildlife species, as well as protecting vital surface and groundwater resources. For these reasons this acquisition ranked high on the AMA criteria list. This project was finalized with 2007 HCP funding, but professional services have carried over into 2008 and 2009.  
**Acquisition reported via LCCMR website:** Yes

**Project Name:** Bucks Mill AMA  
**Tract:** 2  
**Project Area:** 3 - Border Prairie  
Township: 138, Range: 41, Section: 31  
**Acquisition Holder:** DNR-AMA  
**Description:** Buck Lake is one of two small lakes located on the Pelican River between Melissa and Little Pelican Lakes in Becker County. This property includes 29.6 acres of land, with 1,100 feet of shoreline. This parcel along with the existing AMA, protects 1/2 of the shoreline on Buck Lake which is rest and feeding link on this important sturgeon, walleye, northern pike, and white sucker migration route. This will also provide a much needed walk-in public access to this excellent fishing lake. For these reasons this parcel ranked high on the AMA criteria list.  
**Acquisition reported via LCCMR website:** Yes

<b>Project Name:</b> Greenleaf AMA								
<b>Tract:</b> 1								
<b>Project Area:</b> 3 - Border Prairie								
Township: 118, Range: 30, Section: 21								
<b>Acquisition Holder:</b> DNR-AMA								
<b>Description:</b>			Property includes 28 acres of land, with 0.5 miles of shoreline on Souix Lake in Meeker County. This is part of a larger project called the Greenleaf Recreation Area. This AMA parcel will both protect the natural integrity of the shoreline habitat, and provide light use public access, including shorefishing. For these reasons this parcel ranked high on our AMA criteria list. This project ended up going into abeyance because the owners wanted more than the appraised value. Professional Services related to the attempted acquisition occurred in both 2008 and 2009.

<b>Project Name:</b> Ida Lake AMA								
<b>Tract:</b> 7								
<b>Project Area:</b> 3 - Border Prairie								
Township: 129, Range: 38, Section: 2								
<b>Acquisition Holder:</b> DNR-AMA								
<b>Description:</b>			This parcel is a donation from the Vikings Sportsmens Club in Douglas County. They acquired this property in order to permanently protect important spawning habitat. The property includes 21.8 acres with 0.66 miles of shoreline on Ida Lake in Douglas County. The project provides permanent protection to an important gamefish spawning area, protects the natural integrity of the shoreline habitat and provides walk-in public access. For these reasons this parcel ranked high on the AMA criteria list. Acquisition of this parcel was finalized with the 2008 HCP appropriation. Professional services costs have continued on into 2009.

<b>Project Name:</b> Lizzie Lake AMA								
<b>Tract:</b> 1								
<b>Project Area:</b> 3 - Border Prairie								
Township: 136, Range: 42, Section: 7								
<b>Acquisition Holder:</b> DNR-AMA								
<b>Description:</b>			This is a joint project with the Division of Parks and Trails. The parcel includes 3-acres of land, with 900 feet of shoreline where the Pelican River enters Lizzie Lake in Becker County. The project will both protect the natural integrity of the shoreline habitat, and provide public access. For these reasons this parcel ranked high on the AMA criteria list. The acquisition was finalized with 2008 HCP funds. Current charges(2009) are mostly associated with a required survey. Parks and Trails will develop a walk-in access at this site.

<b>Project Name:</b> Mary Lake AMA								
<b>Tract:</b> 1								
<b>Project Area:</b> 3 - Border Prairie								
Township: 127, Range: 38, Section: 4								
<b>Acquisition Holder:</b> DNR-AMA								
<b>Description:</b>			This parcel is a donation from the Vikings Sportsmens Club in Douglas County. They acquired this property in 1964 to provide access to an inlet area that served as state carp trap. The property includes 1.4 acres with 715 feet of shoreline on Mary Lake in Douglas County. The project provides permanent protection to an important wetland connection to Mary Lake, protects the natural integrity of the shoreline habitat and provides walk-in public access. For these reasons this parcel ranked high on DNRs AMA criteria list. This project was finalized with 2008 HCP funding. Professional services have continued on into 2009.

<b>Project Name:</b>	Mason Lake Pass
<b>Tract:</b>	1
<b>Project Area:</b>	3 - Border Prairie
	Township: 133, Range: 39, Section: 22
<b>Acquisition Holder:</b>	DNR-AMA
<b>Description:</b>	This parcel is a donation by the last survivors of an old shooting club. They acquired this property in 1965 to use as a duck hunting property for pass shooting ducks between East And West Mason Lakes. The property includes 3.4 acres with 1,070 feet of shoreline. The project provides permanent protection to an important wetland, and public access to both lakes. For these reasons this parcel ranks high on DNRs AMA criteria list. Because all of the original owners are deceased, unresolved title issues continue to be worked on by heirs trying to fulfill their father's wishes.

**4B: Fisheries Land Acquisition - MNDNR - Fisheries**

<b>Project Name:</b>	Whitewater Way AMA
<b>Tract:</b>	1
<b>Project Area:</b>	11 - Mississippi Bluff Lands
	Township: 108, Range: 12, Section: 27
<b>Acquisition Holder:</b>	DNR-AMA
<b>Description:</b>	This is a fee title donation from the Multi-County Hosing and Redevelopment Authority and is located on the North Branch of the Whitewater River in Elgin. It will permanently protect 1,950 feet of natural shoreline and provide trout angling for the public, as well as management access for the DNR. There are also plans for this site to become an environmental education site for area schools. Fore these reasons this project ranked high on the AMA Criteria list.
<b>Acquisition reported via LCCMR website:</b>	Yes
