

## M.L. 2019 Environment and Natural Resources Trust Fund (ENRTF) Appropriations by Subdivision

### Process for M.L. 2019

For the FY 2020 and FY 2021 biennium (July 1, 2019 - June 30, 2021), approximately \$61 million is available each year (total = \$121 million) for funding from the Environment and Natural Resources Trust Fund (ENRTF). The Legislative-Citizen Commission on Minnesota Resources (LCCMR) selected 68 projects totaling \$53,696,000 from the ENRTF to recommend to the 2019 Minnesota Legislature (\$7.84 of the \$61 million had been previously legislatively dedicated for debt service on appropriation bonds). The recommendations were the result of the LCCMR's 2019 Request for Proposal (RFP) process, in which 273 proposals requesting a total of approximately \$191 million were received and considered through a competitive, multi-stage evaluation process. The recommendations ranged from funding the full proposal and dollar amount requested to partial funding for specific proposal elements. On May 24, 2019, the legislature adopted 65 LCCMR recommendations as recommended, provided additional funds to two recommendations and modified one other. They also added 14 additional appropriations, primarily using funds freed up (\$2.94 million FY19; \$7.84 million FY20) following the repeal of M.L. 2018, Chapter 214, Article 6, Section 4 appropriation bonds. On May 31, 2019, 82 appropriations were signed into law by the Governor as M.L. 2019, First Special Session, Chapter 4, Article 2, for \$64,476,000 total appropriations (\$149,000 FY16, \$2,940,000 FY19, and \$61,387,000 FY20)
