Legal Information

Legal Citation: M.L. 2021, First Special Session, Chp. 6, Art. 6, Sec. 2, Subd. 10a

Appropriation Language: \$135,000 the first year is from the trust fund to the commissioner of natural resources, at the direction of the Legislative-Citizen Commission on Minnesota Resources, for expenses incurred in preparing and administering contracts for the agreements specified in this section. The commissioner must provide documentation to the Legislative-Citizen Commission on Minnesota Resources on the expenditure of these funds.

Appropriation End Date: June 30, 2024

Narrative

Project Summary: Provide contract management to ENRTF pass-through appropriation recipients for approximately 60 open grants. Ensure funds are expended in compliance with appropriation law, state statute, grants policies, and approved work plans.

Describe the opportunity or problem your proposal seeks to address. Include any relevant background information.

Provide continued contract management services to pass-through recipients of Environment and Natural Resource Trust Fund (ENRTF) dollars appropriated to the commissioner of natural resources.

What is your proposed solution to the problem or opportunity discussed above? Introduce us to the work you are seeking funding to do. You will be asked to expand on this proposed solution in Activities & Milestones.

This appropriation will be used to continue and enhance contract management services to pass-through recipients of ENRTF appropriations to the Commissioner of Natural Resources. The goal of contract management is to ensure that grantees are properly reimbursed and that organizations operate in compliance with ENRTF pass-through appropriation procedures, policies from the Department of Administration's Grants Management, ENRTF statute, and the recommendations of the Legislative Auditor. Contract management includes: grant agreements and amendments, training, technical assistance, reporting, fiscal monitoring, reimbursement request processing, and close-out of grants.

What are the specific project outcomes as they relate to the public purpose of protection, conservation, preservation, and enhancement of the state's natural resources?

The OMBS Grants Unit's goal is to provide pass-through recipients with the contract management, technical assistance, and grant monitoring they need to successfully complete their conservation work. The Grants Unit provides grantees with one consistent point of contact for their agreements and delivers timely, responsive, customer service.

Activities and Milestones

Activity 1: Contract Management

Activity Budget: \$135,000

Activity Description:

The Grants Unit manages grant agreements for special environment and natural resource projects recommended by LCCMR and appropriated by the legislature to ensure that all projects operate in compliance with state and LCCMR requirements. Services include:

Contract Management

- o Meeting statutory and Office of Grants Management (OGM) requirements for grant agreements, including contract creation, payment requests, monitoring, and closeout
- o Processing reimbursement requests promptly, in compliance with state and DNR policies and LCCMR-approved workplan
- o Working closely with and responding to requests from the Office of the Legislative Auditor
- o Developing and maintaining accurate reports on Trust fund and individual project status
- o Working cooperatively with LCCMR staff and recipients to resolve questions and make changes
- o Improving processes to increase efficiency and ease for recipients while ensuring fiscal integrity

Training and Ongoing Communication

- o Training recipients on state requirements to ensure they understand the state's contract and reimbursement procedures and requirements
- o Providing ongoing technical assistance and one-on-one work with recipients where necessary
- o Responding to LCCMR requests for information or assistance

The Grants Unit uses a professional service rate to charge for work, with expenses charged only for actual hours worked and services delivered.

Contract Management for Pass Through Grant Recipients	June 30, 2023

Dissemination

Describe your plans for dissemination, presentation, documentation, or sharing of data, results, samples, physical collections, and other products and how they will follow ENRTF Acknowledgement Requirements and Guidelines.

Minnesota Department of Natural Resources Grants Unit staff are in frequent contact with ENRTF pass-through appropriation recipients through phone calls, emails, letters, training, surveys, quarterly newsletters, and manuals. In addition, a website with grantee resources can be found here:

<http://www.dnr.state.mn.us/grants/passthrough/index.html>

The Minnesota Environment and Natural Resources Trust Fund (ENRTF) will be acknowledged through use of the trust fund logo or attribution language on project print and electronic media, publications, signage, and other communications per the ENRTF Acknowledgement Guidelines.

Long-Term Implementation and Funding

Describe how the results will be implemented and how any ongoing effort will be funded. If not already addressed as part of the project, how will findings, results, and products developed be implemented after project completion? If additional work is needed, how will this work be funded?

The Grants Unit will continue contract management through existing policies and procedures, including Office of Grants Management policies; procedures laid out in ENRTF statute, appropriation language, and workplans; and in Grants Unit policies and procedures laid out in attachments to grantee contracts.

The Grants Unit will continue to track contract management activities and metrics through its database and through state-mandated file retention procedures, and communicate any relevant findings to LCCMR staff. Additional work would be funded with future appropriations.
